

NOTIFICATION FOR THE ASSIGNMENT COMPONENT

(Certificate / Diploma / Advance Diploma / Post Graduate Diploma/ Bachelor Degree/ Master Degree programs)

1. Keeping in view the Pandemic situation and due to the fact that the study centers are yet to be fully operational, learners are unable to submit their Tutor Marked Assignment (TMA) in their respective study centers for evaluation.
2. Therefore, the following decision has been taken by Odisha State Open University in the context of assignments for learners under category mentioned in Annex-I
 - a) In lieu of assignments (i.e. TMA) that are due for submission till December 2020, the learners are given an opportunity to appear for Computer Marked Assignment (CMA) having same weightage of 25%.
 - b) The Mode of CMA will be online and are of Multiple-Choice Questions (MCQ) type.
 - c) There will be 50 MCQ questions for **Master degree & Bachelor degree programs**.
 - d) For the **rest of the programs** (programs other than Master degree & Bachelor degree) the **number of MCQ would be 40**.
 - e) The total marks are 100 for each CMA component. However, weightage will be 25%.
 - f) There are no negative marks.
 - g) The total time for each CMA component will be of **one-hour** duration. On completion of one-hour duration of login time, the concerned CMA will automatically get submitted. This one hour can be availed any time between the three hours duration schedule for each course in the assignment date sheet.
 - h) The login credentials will be available in student portal. It will also be sent to you in your registered email ID by 28th November 2020.
 - i) The date-sheet for CMA will be available in OSOU website on 25th November 2020.
 - j) Online examination for CMA component shall commence from 1st December as per the time mentioned in the assignment (CMA) date sheet.
 - k) Online term end examination shall commence from 10th December as per the TEE date-sheet and the last date for TEE is 28.12.2020.

By the orders of the Vice-Chancellor_
Sd Controller of Examinations
