Sub: **Popularisation of the Citizen Interface Portal for 'Vikshit Odisha@2036 for Viksit Bharat @2047' among the Student Community.**

Madam/ Sir,

I am directed to say that the portal for 'Vikshit Odisha@2036 for Viksit Bharat @2047' <https://vision.odisha.gov.in> has been launched by Hon'ble Chief Minister on 30th October 2024 which is open for inputs till 20th November, 2024.

The portal contains the appeal of Hon'ble Chief Minister to the people of Odisha to share their ideas/suggestions for 'Viksit Odisha @ 2036 for Viksit Bharat@ 2047'. Alongside the portal, the message of Hon'ble Chief Minister has also been published on 02nd November, 2024 in the print media in English and Odia. In all the websites of the State Government Departments, the message of Hon'ble Chief Minister for sharing ideas and suggestions is being scrolled.

There is a need to further spread the message among the younger generation, especially the students in colleges and schools, to share their suggestions for Odisha Vision document.

I would therefore, request you to issue necessary instructions to the educational institutions under your administrative control to conduct intensive awareness campaign to further popularize this initiative of the State Government and encourage students to share their views in the portal by 20th November, 2024.

Yours faithfully,

Principal Secretary to Government
